While discussing various matters with [REDACTED] today, I asked him if he had had occasion to see [REDACTED]

[REDACTED] He said that he had and in fact was in the process of writing a memorandum concerning this volume for the signature of the Assistant Director [REDACTED] and the concurrence of the Assistant Director of SO, to the Assistant Director of CD. In his memo he was suggesting [REDACTED] publish a similar volume [REDACTED] It seemed like a good opportunity to pose the question of duplication between such publications and the NIS.
